

## AVALANCHE 2022 registration

To register to the AVALANCHE 2022 conference or to submit an abstract or a paper the first step is to create a user account in the AVALANCHE 2022 registration website. The registration website can be found at <https://avalanche2022.statphysconf.hu/manage> and then select “Registration” from the menu or visit <https://avalanche2022.statphysconf.hu/manage/register>.

The screenshot shows a web browser window with the URL <https://avalanche2022.statphysconf.hu/manage/register>. The page title is "AVALANCHE 2022 - AVALANCHE DYNAMICS AND PRECURSORS OF CATASTROPHIC EVENTS". Below the title, it says "Debrecen, Hungary, August 29 - September 2, 2022" and "BACK TO AVALANCHE 2022 - AVALANCHE DYNAMICS AND PRECURSORS OF CATASTROPHIC EVENTS WEBSITE". There are navigation links for "Log in" and "Registration". The main content is a registration form with the following fields:

- Username: test\_user
- E-mail address: test\_user@example.com
- Password: [masked]
- Password (again): [masked]
- Name: Test User

There is a checkbox checked, with the text: "By registering I approve that my personal data uploaded to this site will be used to a degree of managing them and accomplishing the conditions complying to the data protection laws." Below the form are two buttons: "Register" and "Cancel".

At the bottom of the page, there are logos and text for the Roland Eötvös Physical Society, University of Debrecen, and the National Research Development and Innovation Office Hungary, Project Financed from the NRD Fund.

Please fill the form:

- Username should be a short, easy to remember name which you will be using for logging in to the registration website.
- In the E-mail address field please provide a valid e-mail address which you use, and we can contact you on.

- Type your password twice in the Password fields. Your passwords must be at least of 8 characters long and must include small and capital letters and numbers.
- The Name field should contain how you would like to appear in the registration website. Please note that you will be able to provide a different name when you will register to the conference or when submitting an abstract or paper.

The screenshot shows a web browser window with the URL <https://avalanche2022.statphysconf.hu/manage/>. The page title is "AVALANCHE 2022 - AVALANCHE DYNAMICS AND PRECURSORS OF CATASTROPHIC EVENTS". Below the title, it states "Debrecen, Hungary, August 29 - September 2, 2022" and provides a link to "BACK TO AVALANCHE 2022 - AVALANCHE DYNAMICS AND PRECURSORS OF CATASTROPHIC EVENTS WEBSITE".

Navigation links for "Log in" and "Registration" are visible. A light blue information box contains the message: "Your registration is successful! We have sent a confirmation message to the provided e-mail address. To complete your registration please click the link in the message!".

Below the message, it says "You can find details about the registration on the following links:" followed by three numbered items:

1. Register a user profile: [avalanche2022-registration.pdf](#)
2. Register to conference: [avalanche2022-conference-registration.pdf](#)
3. Submit an abstract: [avalanche2022-abstract-submission.pdf](#)

The footer of the page features three logos: the Roland Eötvös Physical Society logo, the University of Debrecen logo, and the National Research Development and Innovation Office Hungary logo, which includes the text "PROJECT FINANCED FROM THE NRDI FUND".

After you filled the form press the “Register” button. A message should appear indicating that an e-mail was sent out to the e-mail address you provided:

[avalanche2022@science.unideb.hu](mailto:avalanche2022@science.unideb.hu)

**Confirm registration**

To: test\_user

Dear Test User,

You have been registered to the system with the following data:

User name: test-user

Email: test-user@example.com

You can finalize your registration by clicking the link below:

[https://avalanche2022.statphysconf.hu/manage/confirm\\_registration/0f5ed669-eca9-46e4-8714-465f61913d2f](https://avalanche2022.statphysconf.hu/manage/confirm_registration/0f5ed669-eca9-46e4-8714-465f61913d2f)

Yours sincerely,  
AVALANCHE 2022 registration system

Please check your e-mails. You should find an e-mail with subject “Confirm registration” from “[avalanche2022@science.unideb.hu](mailto:avalanche2022@science.unideb.hu)”. If you cannot find the e-mail you should wait a little and check your spam folder, too. If you still did not receive the confirmation e-mail, please check the “Resending the confirmation e-mail” chapter in this document.

In the confirmation e-mail you will find a confirmation link. Clicking on this link, or copy-pasting it into your web browser will activate your account and it will also log you into the registration website. From now on you can use your provided username and password to log in using the “Log in” menu.

## Resending the confirmation e-mail

If you did not receive the confirmation e-mail, it is possible to request a new one. To do this navigate to the log in form by selecting the “Log in” menu item or by navigating to this URL: <https://avalanche2022.statphysconf.hu/manage/login>

👤 Log in 🧑 Registration

**Request new password using your username**

If you remember your username please enter it into the text field below:

Username:

[Request new password](#)

**Request new password using your e-mail address**

If you remember your email address, please enter it into the text field below. Note: if your e-mail address is not unique (you use it in more than one role in the conference) then choose the username option instead (see above)!:

E-mail address:

[Request new password](#)

Roland Eötvös Physical Society

University of Debrecen

NATIONAL RESEARCH DEVELOPMENT AND INNOVATION OFFICE HUNGARY

PROJECT FINANCED FROM THE NRDI FUND

There are two ways to request a new password.

1. If you remember your username, please type it into the first box then press the “Requesting new password” button.
2. If you do not remember your username you can still use the second box to type your e-mail address, then press the “Requesting new password” button. Please note that this option only works if your e-mail address is not shared, meaning no other user profiles has this e-mail address, only yours.

Once the “Requesting new password” button is pressed the system will send you a confirmation e-mail:

**Forgotten password**

To: test\_user

Dear Test User,

You can ask for a new password by clicking the link below:  
[https://avalanche2022.statphysconf.hu/manage/forgotten\\_password/c167f7f5-5fbe-4277-8cde-d4ab5454ed45](https://avalanche2022.statphysconf.hu/manage/forgotten_password/c167f7f5-5fbe-4277-8cde-d4ab5454ed45)

Yours sincerely,  
AVALANCHE 2022 registration system

Clicking the link in the e-mail or copy-pasting it to the web browser will open a form where you can provide your new password:

The screenshot shows a web browser window with the following content:

- Browser Tab:** AVALANCHE 2022 - Avalanche
- Address Bar:** [https://avalanche2022.statphysconf.hu/manage/forgotten\\_password](https://avalanche2022.statphysconf.hu/manage/forgotten_password)
- Page Header:**
  - AVALANCHE 2022 - AVALANCHE DYNAMICS AND PRECURSORS OF CATASTROPHIC EVENTS**
  - Debrecen, Hungary, August 29 - September 2, 2022
  - [← BACK TO AVALANCHE 2022 - AVALANCHE DYNAMICS AND PRECURSORS OF CATASTROPHIC EVENTS WEBSITE](#)
- Navigation:** Log in | Registration
- Form Section:**
  - Change password**
  - Label: Password:
  - Label: Password (again):
  -
- Footer:**
  - Roland Eötvös Physical Society (with logo)
  - University of Debrecen (with logo)
  - NATIONAL RESEARCH DEVELOPMENT AND INNOVATION OFFICE HUNGARY (with logo)
  - PROJECT FINANCED FROM THE NRDI FUND

After typing your new password two times, press the “Save” button. The system will change your password and automatically log you in.
